

Breakfast Program
Ian Baillie Primary School

Once again we will be offering the breakfast program to our students at Ian Baillie School. We had a very successful year last year with the help of volunteers who generously donated their time to ensure its success.

This year we are asking for continued support from our school community, parents, grandparents, etc.

If you are interested and can volunteer in the mornings between 8-8:30 am please fill out the calendar on opposite side of this memo on the days you may be available. This is a great way to get involved in your child's school and make lasting connections.

We will send out a schedule after all forms have been received.

We hope to have it up and running by next week depending on number of responses.

Thank you in advance for your support.

Paula Hache
