Dear Parents of Ian Baillie Primary School:

The priority of Anglophone North School District is to ensure the health and safety of all our staff and students. While always ensuring a safe environment, the Department of Education and Early Childhood Development, along with the Department of Transportation and Infrastructure, have been working with the school district for the past few weeks to address the situation at Ian Baillie Primary School.

At the present time, Ian Baillie Primary School is safe for staff and students, and we are working with the district and all of our stakeholders to find solutions for the school. The Department of Education and Early Childhood Development will be meeting with staff and parents this week to discuss options to address the situation. Due to the fact that Ian Baillie Primary School has limited space because of the gymnasium remediation, the parent meeting will be held on **Wednesday, December 4, 2013, at 6:30 p.m., at the James M. Hill Memorial High School Theatre.** Child care will be available during this meeting.

Sincerely,

Beth Stymiest  
Superintendent
